MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM:

[REDACTED]

Deputy to the DCI for Collection Tasking

SUBJECT:

Publication of Telephone Directories for
Collection Tasking and Resource Management
Staffs

REFERENCE:

[REDACTED]

Dated 13 December 1978

1. Action Requested: This memorandum requests your approval in accordance with reference to publish the names of personnel in telephone directories for the Collection Tasking and Resource Management Staffs. Such directories will be for internal use only and will not be distributed outside of DCI organizations.

2. Background: In accordance with previous policy, the Collection Tasking and Resource Management Staffs have heretofore published only a functional telephone directory that did not include the names of personnel. Reference allows some modification of that policy whereby the names of employees may be included in the directory where no cover considerations are likely to arise. Given the dispersion of Collection Tasking Staff personnel at different locations, it would be extremely helpful to have a directory listing the names of individuals. The Collection Tasking and Resource Management Staffs do not have a cover problem with the publication of names in a telephone directory. Although we do have a few CIA employees assigned to the Staffs who are under cover, it is a natural situation since true employees from the different components of the Intelligence Community are also assigned to both Staffs. Thus, it is perfectly normal that we have State Department employees and DoD civilians on a rotational detail basis working with the Collection Tasking and Resource Management Staffs. [REDACTED] concurs in this request.
